Dear parent/carer,

Re: Year 6 Parent Transition Workshops

Falmer High School is pleased to offer parents of year 6 pupils attending Falmer in September the opportunity to attend two informative and useful workshops about supporting your child in the transition from primary to secondary school.

Transition can be an anxious time for parents and their children and these workshops will look at common concerns and ways to deal with them. Issues covered will include:

- What's the difference between primary and secondary school?
- What are your concerns for your child?
- What are they looking forward to?
- How to help with organisation and develop confidence
- How and why schools have changed since you were there
- How to help your child get the most out of school

Workshops will be held on 26th June and 3rd July, Falmer High School, North Building.

Workshops are run by 'Making Sense', an organisation that specialises in parent support courses. The workshops are in addition to the New Intake Taster Days run by Falmer High School in July.

To take advantage of these free workshops and book a place please complete and return the slip below or contact Katherine Gregory on 01273 691191 or katherine.gregory@falmer.brighton-hove.sch.uk

Yours sincerely,

Katherine Gregory
